IMPORTANT POINTS ABOUT HOW YOUR INFORMATION WILL BE USED

- *We will use ServicePoint to keep a record of your contact with our agency.*
- *We will not share **any** information **without your written permission** through a signed client consent form that allows us to share client profile information with collaborating agencies. This means that you will not have to provide the same information at more than one intake.*

HOW WILL MY INFORMATION BE KEPT SECURE?

We have done several things to make sure that your information is kept safe and secure:

- *The computer program we use has the highest security protection available;*
- *Any information that could identify you, like your name, SS# or birth-date, will be viewed only by people working to provide services to you, and will be removed before reports are issued to local, state, or national agencies;*
- *All employees agree to follow privacy rules before using the system.*
